

### **REMARKS**

Applicant requests continued examination to have entered changes to the sequence listing to correct a typographical error that was inadvertently introduced into the sequence listing at SEQ ID NO.2. The correct sequence listing is identified in the substitute sequence listing.

Additionally, the specification requires amendments thereto. An embedded hypertext was identified on page 12 lines 6-11 and an incorrect sequence listing for SEQ ID NO 2 was identified at page 35, lines 19-27 through page 36, lines 1-2 and requires correction.

### **Conclusion**

Applicant respectfully submits that the claims are in condition for allowance and notification to that effect is earnestly requested. The Examiner is invited to telephone Applicant's attorney (505-998-6134) to facilitate prosecution of this application.

If necessary, please charge any additional fees or credit overpayment to Deposit Account No. 13-4213

Respectfully submitted,
